2024 AP-S Special Projects Request Form

Special-Purpose Funding

A special-purpose fund also exists to support special Chapter projects not ordinarily covered by the annual funding. Examples might include organizing a local workshop or conference that benefits Chapter members, a field trip, a Chapter-oriented research project, etc. Special-purpose financing is limited to a maximum of $1000 for independent AP-S Chapter and a maximum of $500 for joint Chapters. It is available on a first-come, first-served basis. A Chapter Officer can request Special-Purpose funding by completing and submitting a “Special-Purpose Application Form” to the AP-S CAC (Chapter Activity Committee). This “Special-Purpose Application Form” is posted on the AP-S Chapter’s web page and can be downloaded; the filled form should be sent to the CAC Chair. If approved, the CAC chair will forward the request to the AP-S Treasurer, who will then issue funds as requested by the Chapter (i.e., check, wire transfer, concentration account, etc.).

For even larger projects (AP-S-sponsored workshops and technical events for 2-3 days of activities, targeting membership engagement, recruitment of new members, and formation of new chapters), chapters may submit proposals to CAC, which are limited to a maximum of $3000, under special case $5000. The proposals should contain a detailed description of the project and a budget.
